Names of Patterns.

The following Miniature Diagrams can give you but a faint idea of the beauty of these patterns, being here reduced to so small a size, the details are imperfectly brought out. The diagrams which go with the patterns are printed on heavy card board and artistically colored, so as to give some idea how the finished blocks would look, being also suggestive of effective colors to use in making up the blocks; though, of course, the combination of colors can be varied in a hundred ways, to suit individual tastes and fancies.

Calico for Quilt Blocks.

We are often requested to furnish solid color calico for Blocks, as such calico cannot always be had in local stores. We have therefore determined to put in a line of these calicos as an accommodation to our patrons. We will not give a list of colors that we carry, as we cannot guarantee to furnish the same colors always. So we will make up samples of the colors on hand at time of
