PATCHWORK DESIGNS

The following miniature diagrams can give but a faint idea of the beauty of these patterns, being here reduced to so small a size the details are imperfectly brought out. The diagrams, which go with the patterns are printed on heavy cardboard, about ten times the size of the miniatures in this book, and are artistically colored, so as to give some idea how the finished blocks would look; being also suggestive of effective colors to use in making up the blocks; tho' of course, the combination of colors can be varied indefinitely. Each design is put up in a numbered envelope and consists of colored cardboard diagram and complete pattern for cutting and piecing the design.

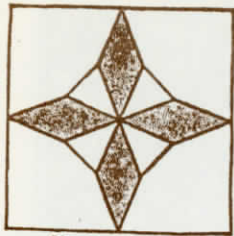

Do not cut this book. Order patterns by numbers only. Positively no patterns exchanged.

PRICES: Pattern with colored cards: 10c each; 3 for 25c; 7 for 50c; 15 for \$1.00. Color cards with out patterns 4c each; 25 for 75c. Prices under quilt block designs are for finished calico blocks.

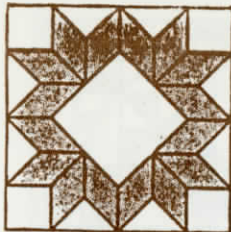

PLEASE DO NOT SEND STAMPS. Send P. O. money orders or silver well wrapped.

Calico for Quilt Blocks.

We are often requested to furnish solid color calico for blocks, as such calico cannot always be had in local stores. We have therefore determined to put in a line of these calicos as an accommodation to our patrons. We will not give a list of colors that we carry, as we cannot guarantee to furnish the same colors always. So we will make up samples of the colors on hand at time of application and mail you same for 3c. In ordering from our samples, return pieces of the colors you want, cut from our samples, with your order. Be sure to order all you need for the work in hand, as we may not be able to furnish you exactly the same shade if you order again later.

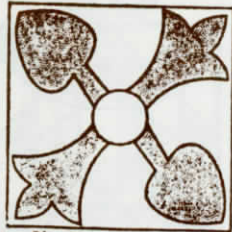

Price sent with samples.

Applique Designs.

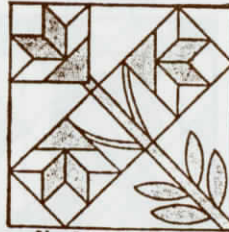

The following quilt blocks are designed for applique work. The method of making applique blocks is quite different than that followed in making pieced blocks. In applique work the design is formed by placing pieces of material cut in the various motifs of the design on a background of material, and securing the design to the background by means of buttonhole, outline, or other fine stitches. White muslin is generally used as a background, and suitable colored material for the design. In order to facilitate the making of these quilt blocks, we furnish patterns consisting of the complete block design and the various motifs of the design, stamped on paper for tracing, and a sheet of tracing paper. Price of each pattern is 50c, or three for \$1.00. For direction of use of patterns see next page.

Directions for Applique Paper Patterns.

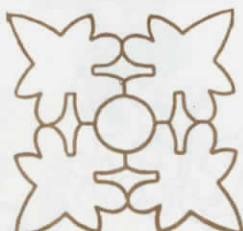

It is best to make cutting patterns by tracing each motif on stiff paper or light cardboard. Cut out this cardboard pattern exact size as traced. Cut applique patterns a quarter of an inch larger than the cardboard pattern to allow for turning under edges. Turn edges over cardboard creasing with finger, or warm iron. In case of round motifs it is well to gather edge of material, stretch smoothly over cardboard, press and remove from cardboard by cutting gathering thread. When edges of motif are turned and pressed flat in this manner, the motifs are applied to design on background material. Each motif is numbered. A corresponding number will be found on each applique motif, and motif of background design to which it is to be applied, i. e., applique motif No. 1 on motif No. 1 of background. Finish edges of applique motifs with either outline, buttonhole, or fell stitch. Use outline stitch for markings on flowers and leaves.

Quilting Designs.

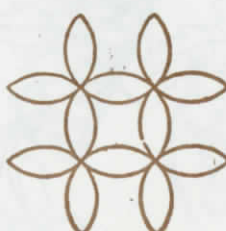

Quilting designs shown on this and the next page should not be confused with Quilt Blocks Designs shown in rest of book. Quilting designs are to be stamped on back of pieced quilt, as a guide by which to do quilting. The price is under each design. The patterns are perforated on a high grade of bond paper, best adapted for stamping purposes and will last indefinitely. To transfer these patterns to the quilt use stamping powder, put up in a neat box, topped with a distributor for stamping. Price 15c a box; 2 for 25c.
