9/22/82

Dear Cuesta,

Bettina called me - instructed me to send you this kit. It has been a real thrill to be able to have these & also fabric from the 300' from Mary's prop.

The man who brings me these used to work for Mary, cutting kits for stores like Marshall Field's, etc.

The tulip kit has been the most popular one - I do hope you will enjoy it.
Thanks, Sara Miller
