First cut strips apart along broken lines, then match and sew strips together as shown in illustration for single or double size quilt. Attach appliques - quilting is done later. The Six Strand Floss may easily be separated into one or more strands in accordance with instructions given below.

For convenience in working cut floss into 36" lengths.

APPLIQUES: Attach stems (green bias strip) along guide lines. Cut out appliques along broken lines - fold under along solid lines and slip stitch to foundation in numerical order using 1 strand of matching floss. Where one applique overlaps another it is unnecessary to turn back material of the underneath applique.

EMBROIDERY STITCHES AND STRANDS USED ARE:

Loops on appliques 1, 6 and 16 - loop stitch - 3 strands - use Dk. Blue floss for Blue quilt and Med. Pink floss for Pink quilt.

Leaves - loop stitch - 3 strands of Green floss.

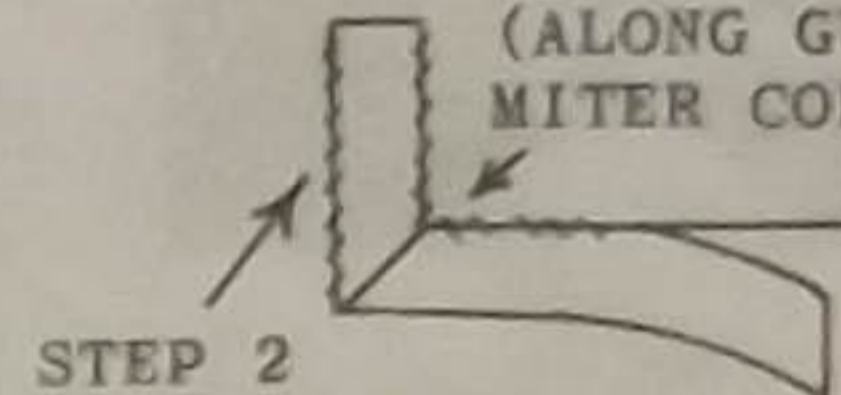

Stems - back stitch - 3 strands of Green floss.

Embroider butterfly as shown on chart.

STITCHES REFERRED TO ARE SHOWN IN DETAIL ON REVERSE SIDE.

STEP 2
SLIP STITCH OUTER EDGE OF BINDING TO QUILT

QUILTING
We recommend Bucilla Quilt Back No. 25000 for Single Size and No. 25001 for Double Size. THE MATCHING QUILT BACK CAN BE ORDERED BY YOUR DEALER TO ASSURE YOUR GETTING THE SAME QUALITY FABRIC AS THE QUILT TOP.

Batting (for padding) is available at all stores in size 81x108" and is sufficient to pad this quilt if instructions are followed correctly. Press quilt top carefully on reverse side. Place batting on wrong side of quilt top using the outside stamped lines as a guide.

Cut away all excess batting and (if necessary) add strips of batting to the width of quilt completely covering area between guide lines (it is unnecessary to join cut pieces of batting). Place quilt back over batting and baste all pieces (top, batting and back) together to prepare for quilting.

Use white sewing thread for quilting - do not knot thread - to start or fasten thread go through all layers a few times, this is more secure and neater than knotting the thread. With a small darning stitch (illustrated on reverse side) sew through all layers where dots are indicated. This quilting stitch should be small and the same size on both sides of quilt.

FINISHING INSTRUCTIONS: At 3/16" outside scalloped line - cut away excess. Now attach bias binding as follows: (and refer to illustration).

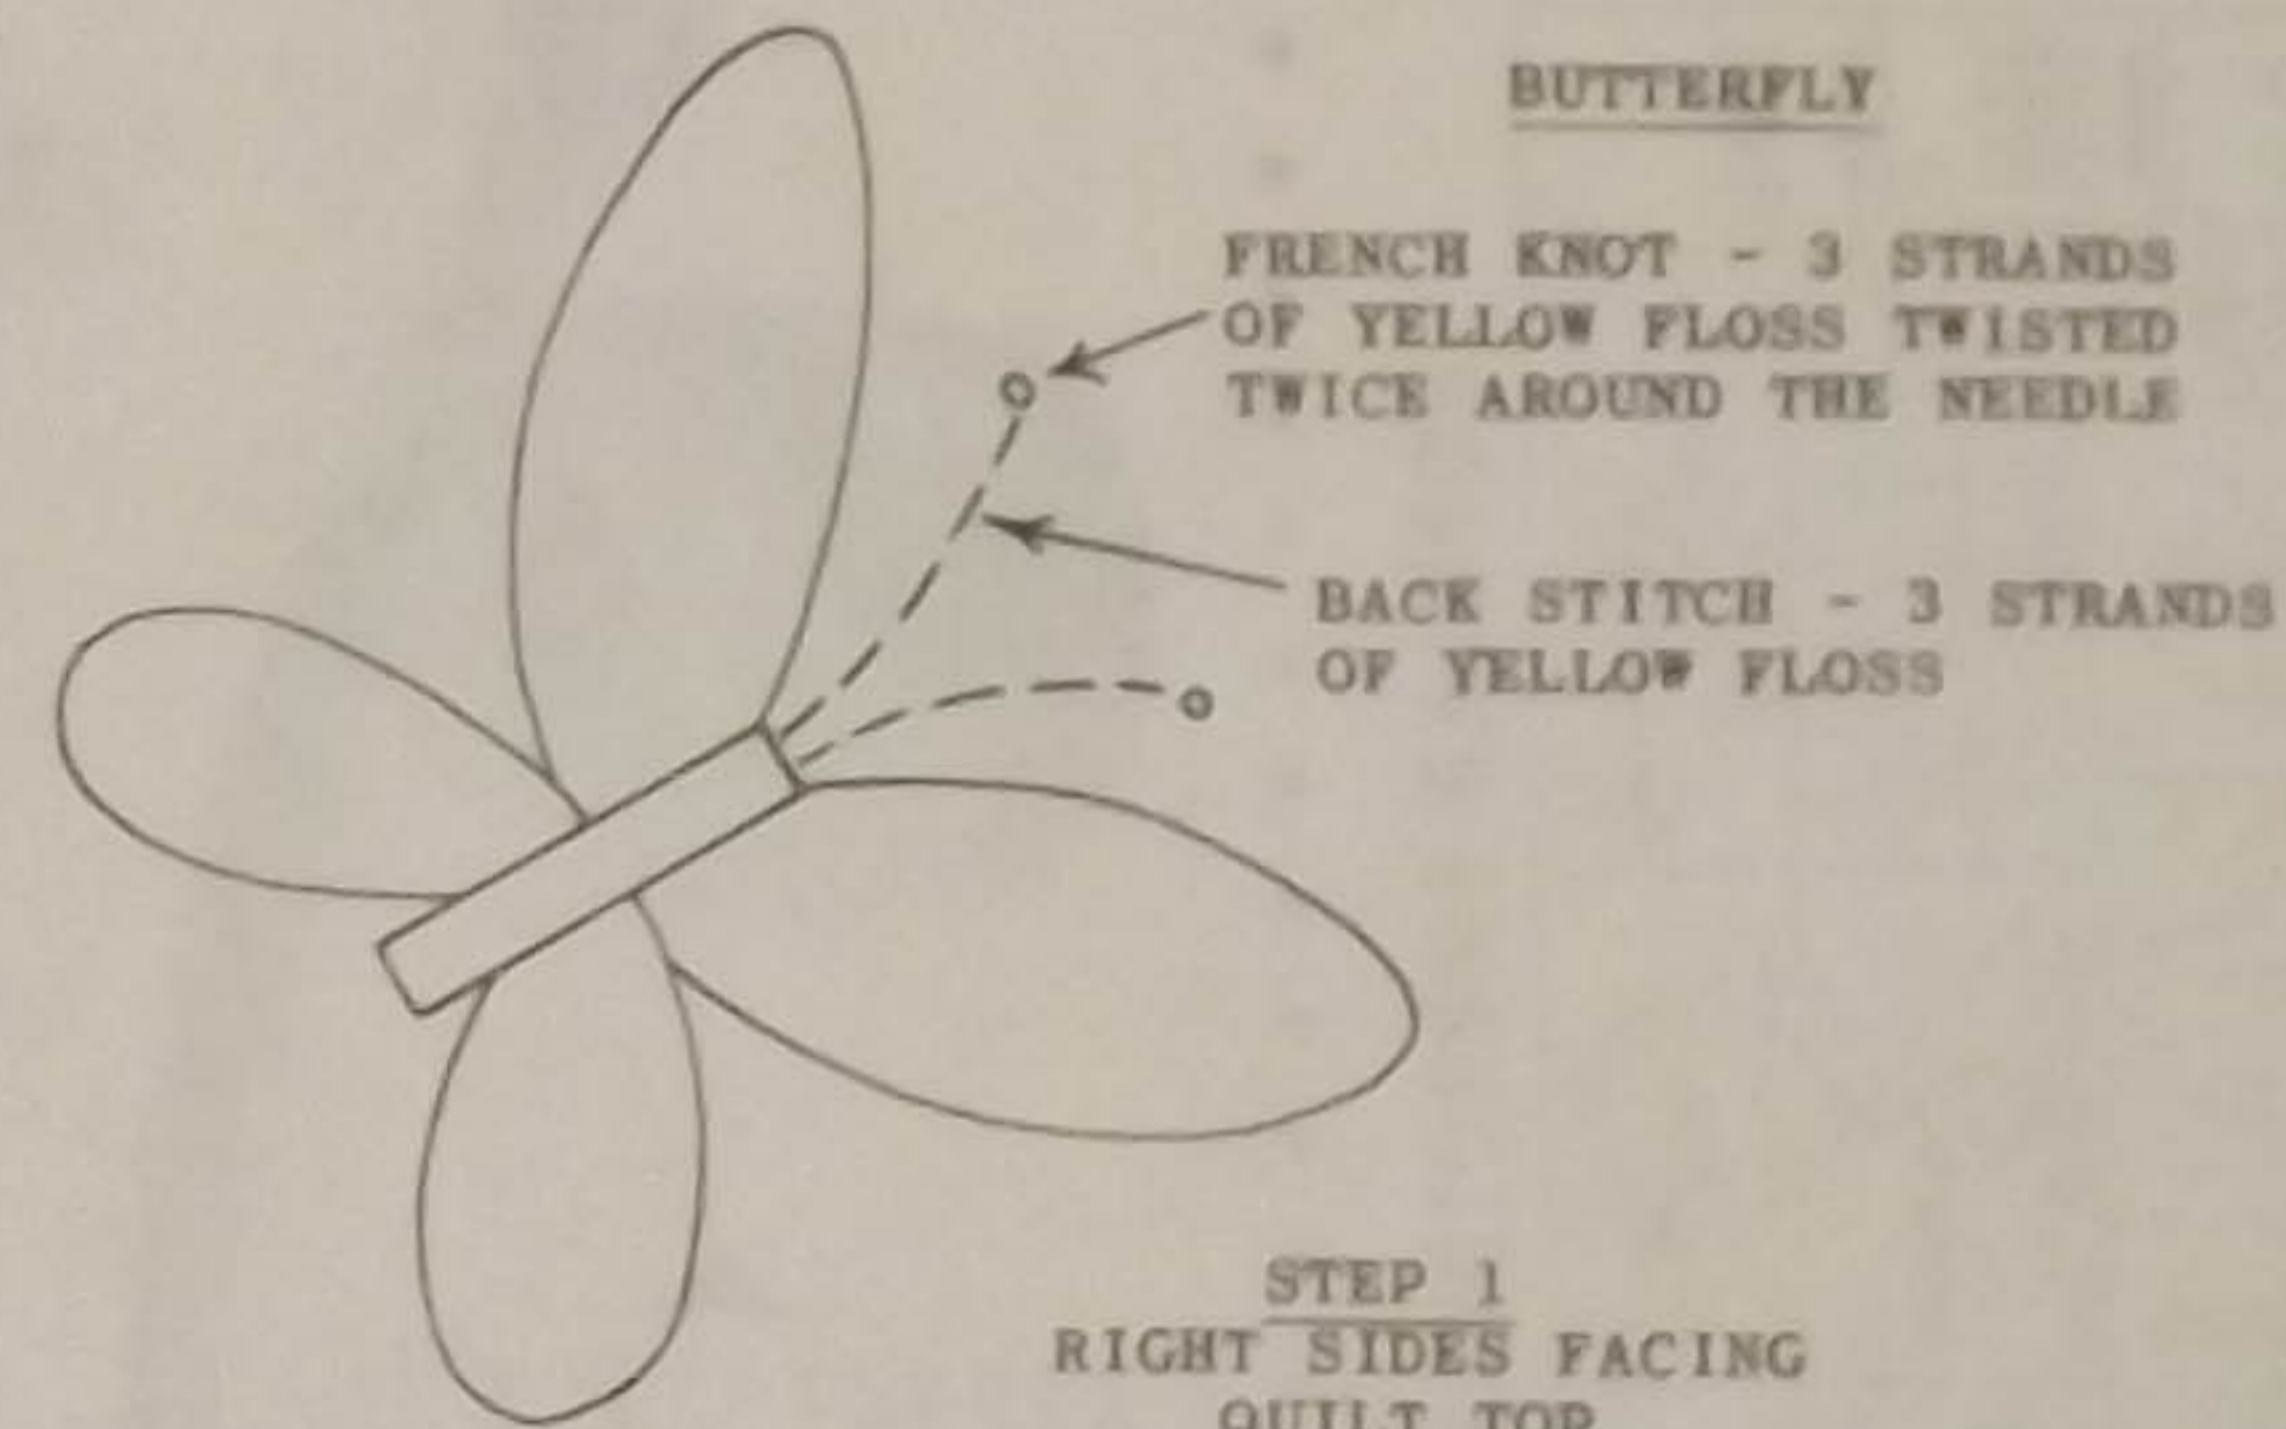

STEP 1 - Open binding and fold in a raw end 1/4". Match raw edge of bias and quilt - right sides facing - (right sides of bias and quilt top). Sew together with a small darning stitch 3/16" in from edge (first crease of bias from edge).

STEP 2 - In order to clean finish joinings continue to attach bias 3/8" beyond folded edge. Then slip stitch folded extension - from right side of bias.

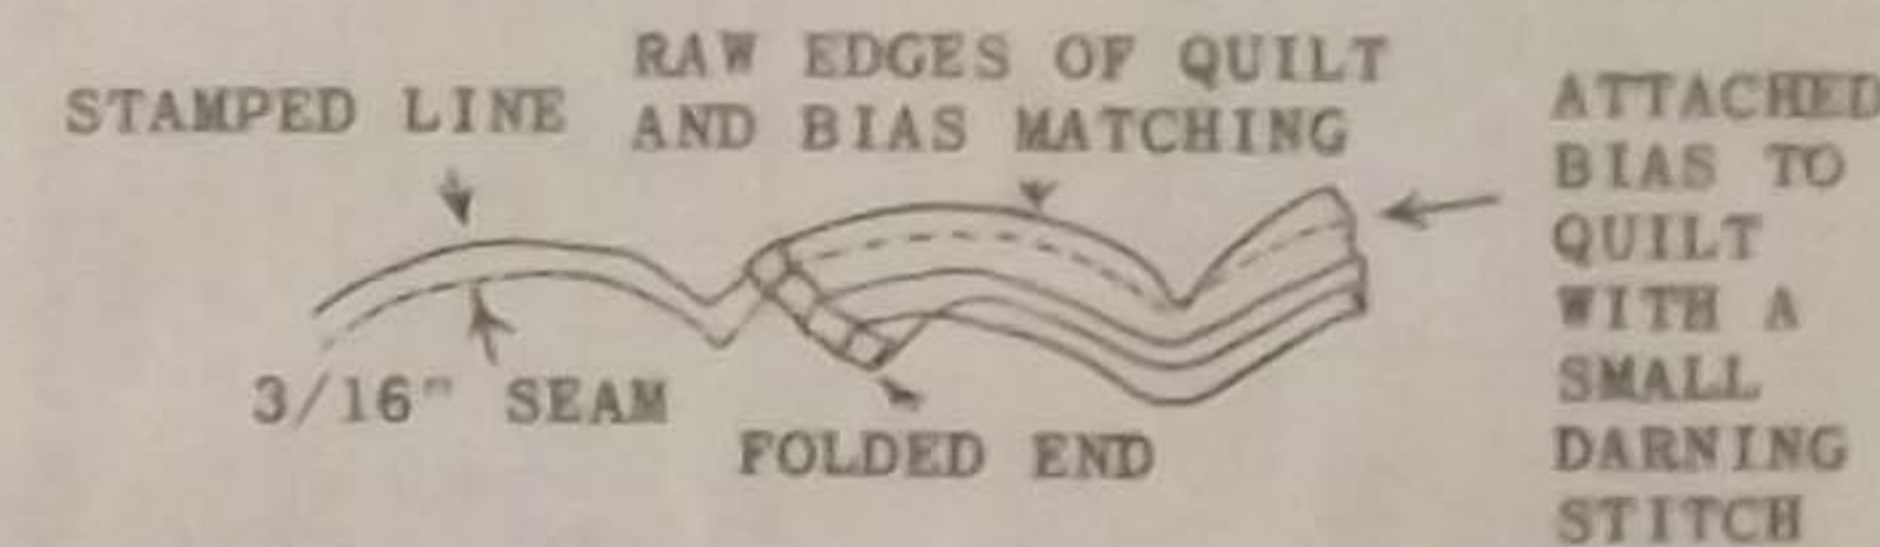

STEP 3 - Now fold on center crease of bias and slip stitch last crease to back edge of quilt - just beyond darning.

We recommend that quilts be dry cleaned rather than washed unless very carefully done, because washing is apt to leave the padding lumpy. If washed extreme care should be taken as rubbing tends to pull padding apart and leave thin spots.

SUPERB BUCILLA EMBROIDERY AND CROCHET COTTONS

BUCILLA SIX STRAND

This fine quality super lustrous floss is perfect for general embroidery. Because the six uniform strands can be easily divided into one or more strands, this floss may be used for delicate as well as bolder stitchery. Made in a complete range of rich, guaranteed ballproof and sunfast colors.

BUCILLA TWINKLESHEN

A truly exquisite highly mercerized cotton yarn combined with non-fading gold thread. Very smart for knitting and crocheting sweaters, blouses, dresses and all apparel as well as dollies, table mats, scarfs, etc. Washfast—lightfast. Made in a wide range of beautiful sparkling colors.

BUCILLA JUMBO BALL

This superb mercerized hard-twist crochet cotton is ideal for lacey luncheon sets, dollies, chair sets, tablecloths, etc. Its beautiful finish and deluxe quality assures a lifetime of wear. In a choice of sizes and ballproof colors.

BUCILLA WONDERSHEN

America's favorite super lustrous crochet cotton! Evenly twisted of finest combed cotton, finished with a rich sheen—a truly deluxe quality for bedspreads, luncheon sets, banquet cloths, chair sets, etc. Made in Ivory, White and Ecru. Put up in the new convenient Magic-skein that pulls easily while crocheting.

BUCILLA PETITE WONDERSHEN

Same super lustrous quality as Bucilla Wondersheen, but spun in finer size for daintier crochet effects. Put up in Magic-skein. Made in Ivory, White and Ecru.

BUCILLA BLUE LABEL

For those who prefer a delustrated (dull) finish here's another outstanding deluxe quality crochet cotton. It's smoothly twisted of combed cotton to give a lifetime of wear. Ideal for bedspreads, dollies, chair sets, scarfs, etc. Put up in Magic-skein. Made in Ivory, White and Ecru.

BUCILLA WONDER-KIT

Whether it's a knitted baby's socker or a tufted or crochet moss-soft rug you make, its flower-fresh colors are guaranteed to keep their color true for they are ballproof and sunfast. Fluffy and soft as wool.
