DIRECTION FOR MAKING QUILTS

MEASURE YOUR BED AND DECIDE HOW MANY SQUARES YOU WILL NEED FOR THE EFFECT YOU WANT TO HAVE WHETHER IT IS TO BE QUILTED ON TOP OF BED ONLY WITH A RUFFLED SKIRT OF PLAIN MATERIAL TO THE FLOOR OR TO HANG OVER SIDES AND COVER PILLOWS AS A COVERLET USED WITH A DUST RUFFLE.

EMBROIDER SQUARES SEPARATELY FOLLOWING EMBROIDERY INSTRUCTIONS. THEY MAY BE ASSEMBLED INTO A QUILT BY SEWING SQUARES INTO STRIPS, THEN SEWING STRIPS TOGETHER. SEW SEAMS EVENLY BY HAND OR MACHINE. PRESS ALL SEAMS FOR A SMOOTHER APPEARANCE. COTTON BACKING AND DACRON WADDING ACCESSORY KIT IS AVAILABLE PACKAGE #298.

LAY BACKING OUT SMOOTHLY THEN THE FILLING OVER IT AND THE EMBROIDERED TOP PIECE. SECURE ALL THREE LAYERS TOGETHER WITH AS MANY PINS AS NECESSARY TO KEEP FROM SHIFTING. START AT CENTER. RUN BASTINGS OUT TO ALL 4 SIDES AND ACROSS FROM CORNER TO CORNER DIAGONALLY. BASTE EDGES TOGETHER AND REMOVE PINS. A QUILTING FRAME OR HOOP MAY BE USED OR QUILTING MAY BE DONE BY HAND. USE A SHORT SHARP QUILTING NEEDLE AND EXTRA STRONG WHITE COTTON THREAD. TAKE SMALL RUNNING OR BACK STITCHES. THROUGH ALL THREE THICKNESSES OF MATERIAL COVERING EACH STAMPED DOT. DO NOT KNOT THE THREAD. 2 OR 3 TINY BACK STITCHES WILL HOLD IT. QUILT ALONG SEAM LINES FIRST. ALWAYS WORKING FROM CENTER TOWARD YOU THEN TOWARD OPPOSITE SIDE. NEXT FROM CENTER TO RIGHT AND FROM CENTER TO LEFT SIDE TO KEEP AN EVEN APPEARANCE. WHEN ALL SEAM LINES ARE QUILTED THEN QUILT THE EMBROIDERED SQUARES AS STAMPED IN DOTS. COVERING EACH DOT. WHEN ALL QUILTING IS FINISHED BIND AROUND EDGE WITH BIAS BINDING OF DESIRED WIDTH AND COLOR.
