 WILL GIVE A SMOOTH PROFESSIONAL LOOK TO YOUR  
 FINISHED WORK.

**DIRECTION FOR MAKING QUILTS**

MEASURE YOUR BED AND DECIDE HOW MANY SQUARES YOU  
 WILL NEED FOR THE EFFECT YOU WANT TO HAVE WHETHER  
 IT IS TO BE QUILTED ON TOP OF BED ONLY WITH A RUF-  
 FLED SKIRT OF PLAIN MATERIAL TO THE FLOOR OR TO  
 HANG OVER SIDES AND COVER PILLOWS AS A COVERLET  
 USED WITH A DUST RUFFLE.  
 EMBROIDER SQUARES SEPARATELY FOLLOWING EMBROIDERY  
 INSTRUCTIONS. THEY MAY BE ASSEMBLED INTO A QUILT  
 BY SEWING SQUARES INTO STRIPS. THEN SEWING STRIPS  
 TOGETHER. SEW SEAMS EVENLY BY HAND OR MACHINE.  
 PRESS ALL SEAMS FOR A SMOOTHER APPEARANCE.  
 LAY BACKING OUT SMOOTHLY THEN THE FILLING OVER IT  
 AND THE EMBROIDERED TOP PIECE. SECURE ALL THREE  
 LAYERS TOGETHER WITH AS MANY PINS AS NECESSARY TO  
 KEEP FROM SHIFTING. START AT CENTER. RUN BASTINGS  
 OUT TO ALL 4 SIDES AND ACROSS FROM CORNER TO COR-  
 NER DIAGONALLY. BASTE EDGES TOGETHER AND REMOVE  
 PINS. A QUILTING FRAME OR HOOP MAY BE USED OR  
 QUILTING MAY BE DONE BY HAND. USE A SHORT SHARP  
 QUILTING NEEDLE AND EXTRA STRONG WHITE COTTON  
 THREAD. TAKE SMALL RUNNING OR BACK STITCHES  
 THROUGH ALL THREE THICKNESSES OF MATERIAL COVER-  
 ING EACH STAMPED DOT. DO NOT KNOT THE THREAD. 2  
 OR 3 TINY BACK STITCHES WILL HOLD IT. QUILT ALONG  
 SEAM LINES FIRST. ALWAYS WORKING FROM CENTER TO-  
 WARD YOU THEN TOWARD OPPOSITE SIDE. NEXT FROM  
 CENTER TO RIGHT AND FROM CENTER TO LEFT SIDE TO  
 KEEP AN EVEN APPEARANCE. WHEN ALL SEAM LINES ARE  
 QUILTED THEN QUILT THE EMBROIDERED SQUARES AS  
 STAMPED IN DOTS. COVERING EACH DOT. WHEN ALL  
 QUILTING IS FINISHED BIND AROUND EDGE WITH BIAS  
 BINDING OF DESIRED WIDTH AND COLOR.
