" No.1.....	396 green
" No.2.....	99 print
" No.3.....	396 white
" No.3.....	396 green

SUGGESTIONS FOR CUTTING

Tracepieces of the pattern on light cardboard or sandpaper and cut out. Use these cardboard or sandpaper pieces as cutting guides. The most accurate method is to lay cardboard or sandpaper patterns on the material (rough side down if sandpaper is used). Mark around pattern with pencil. Cut out on pencil lines. Whenever possible, lay straight edges of the pattern parallel with the threads of the material.

QUILTING

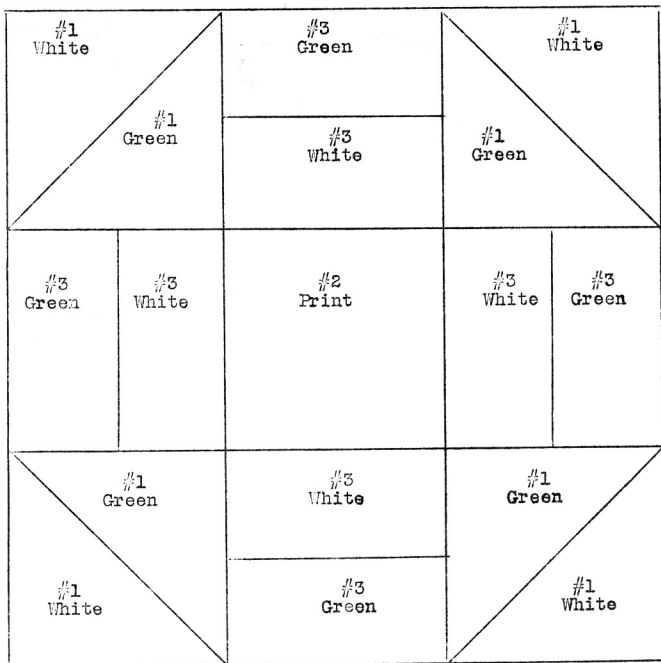

Quilt along seams of the piecing.
