

QUILT PATTERN NO.7023--SUNBONNET SUE AND OVERALL BILL

SIZE OF QUILT--48x66-inches.
This quilt consists of eight stamped 12-inch blocks, four plain blocks cut diagonally making two equal triangles in each, and a 6-inch two-tone border.

COLORS

White, blue, pink and red are the suggested colors. Any color scheme may be used. A colored background on to which the figures are applied, is attractive. We suggest the girl be made with a pink dress with blue sleeves, a blue bonnet with a pink band, and yellow for the arm and feet.

For the boy, we suggest he be made with blue overalls, with red patches, a red waist, and a yellow hat. Outline the crown of the hat in black back stitch.

The border is blue and pink. See figure at left.
