**SUGGESTIONS FOR CUTTING**

Trace pieces of the pattern on light cardboard or sandpaper and cut out. Use these cardboard or sandpaper pieces as cutting guides. The most accurate method is to lay cardboard or sandpaper pieces(rough side down if sandpaper is used) on the material. Mark around the pattern with pencil. Cut material on pencil lines. Whenever possible lay straight edge of the pattern parallel with the threads of the material.

**QUILTING**

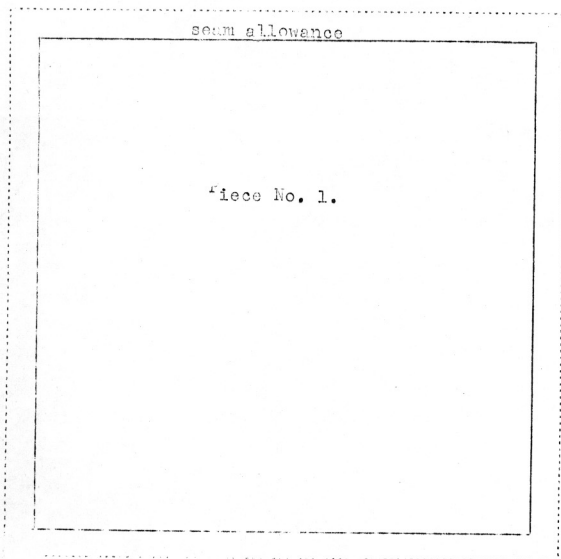

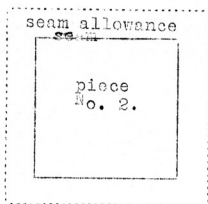

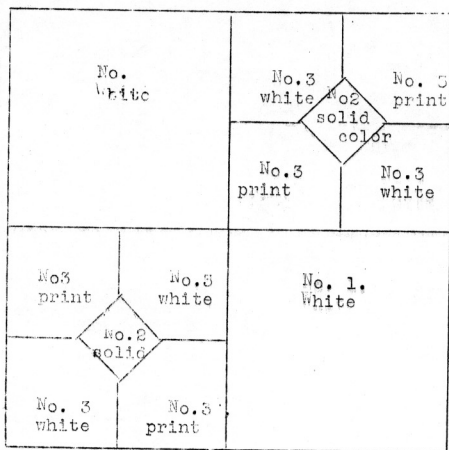

Quilt along all the seams of the piecing. Use our quilting design No. Q45(4-inch width) on plain strips. Quilt the plain squares in the "necktie" design.
