SUGGESTIONS FOR CUTTING

Trace pieces of the pattern on light cardboard or sandpaper and cut out. Use these cardboard or sandpaper pieces as cutting guides. The most accurate method is to lay cardboard or sandpaper pieces(rough side down) on the material and draw the outline with pencil. Cut out on pencil lines. Whenever possible lay straight edges of the pattern parallel with the threads of the material.

QUILTING

Quilt along all seams of the piecing. Use our quilting design No. Q43(2-inch width) on the plain strip.
