SUGGESTIONS FOR CUTTING

Trace pieces of the pattern on light cardboard or sandpaper and cut out. Use these cardboard and sandpaper pieces as cutting guides. The most accurate method is to lay cardboard or sandpaper patterns(rough side down if sandpaper is used) on the material. Mark around pattern with pencil. Cut material on pencil lines. Be sure to lay straight edge of the pattern parallel with the threads of the material.

QUILTING

Quilt along all seams of the pieced patchwork. Quilt diagonal lines 1-inch apart all over background. Use tulip border quilting design No.Q50-S for scalloped border.
