SUGGESTIONS FOR CUTTING

Trace pieces of the pattern on light cardboard or sandpaper and cut out. Use these cardboard or sandpaper pieces as cutting guides. The most accurate method is to lay cardboard or sandpaper pieces (rough side down) on the material. Mark around the pattern with pencil. Cut material on pencil lines. When cutting, lay all straight pieces straight with the material.

QUILTING

Quilt along all the seams of the piecing. Use our quilting design No.Q90(4-inch) in large white squares, and our No.Q44(3-inch) on plain border.
