Daffodil Is First Flower in Fourth Row of Urns

*Spring Blossom Introduces Brilliant Hues
Into Garden Bouquet Quilt*

THE first flower in the fourth row of flowers and urns in the garden bouquet quilt is the daffodil. The flower is made from palest yellow with a center of rich orange. The French knots in the center are to be done in green or in orange.

The full-sized pattern of the daffodil will be mailed to you on receipt of your request and a two-cent stamp.

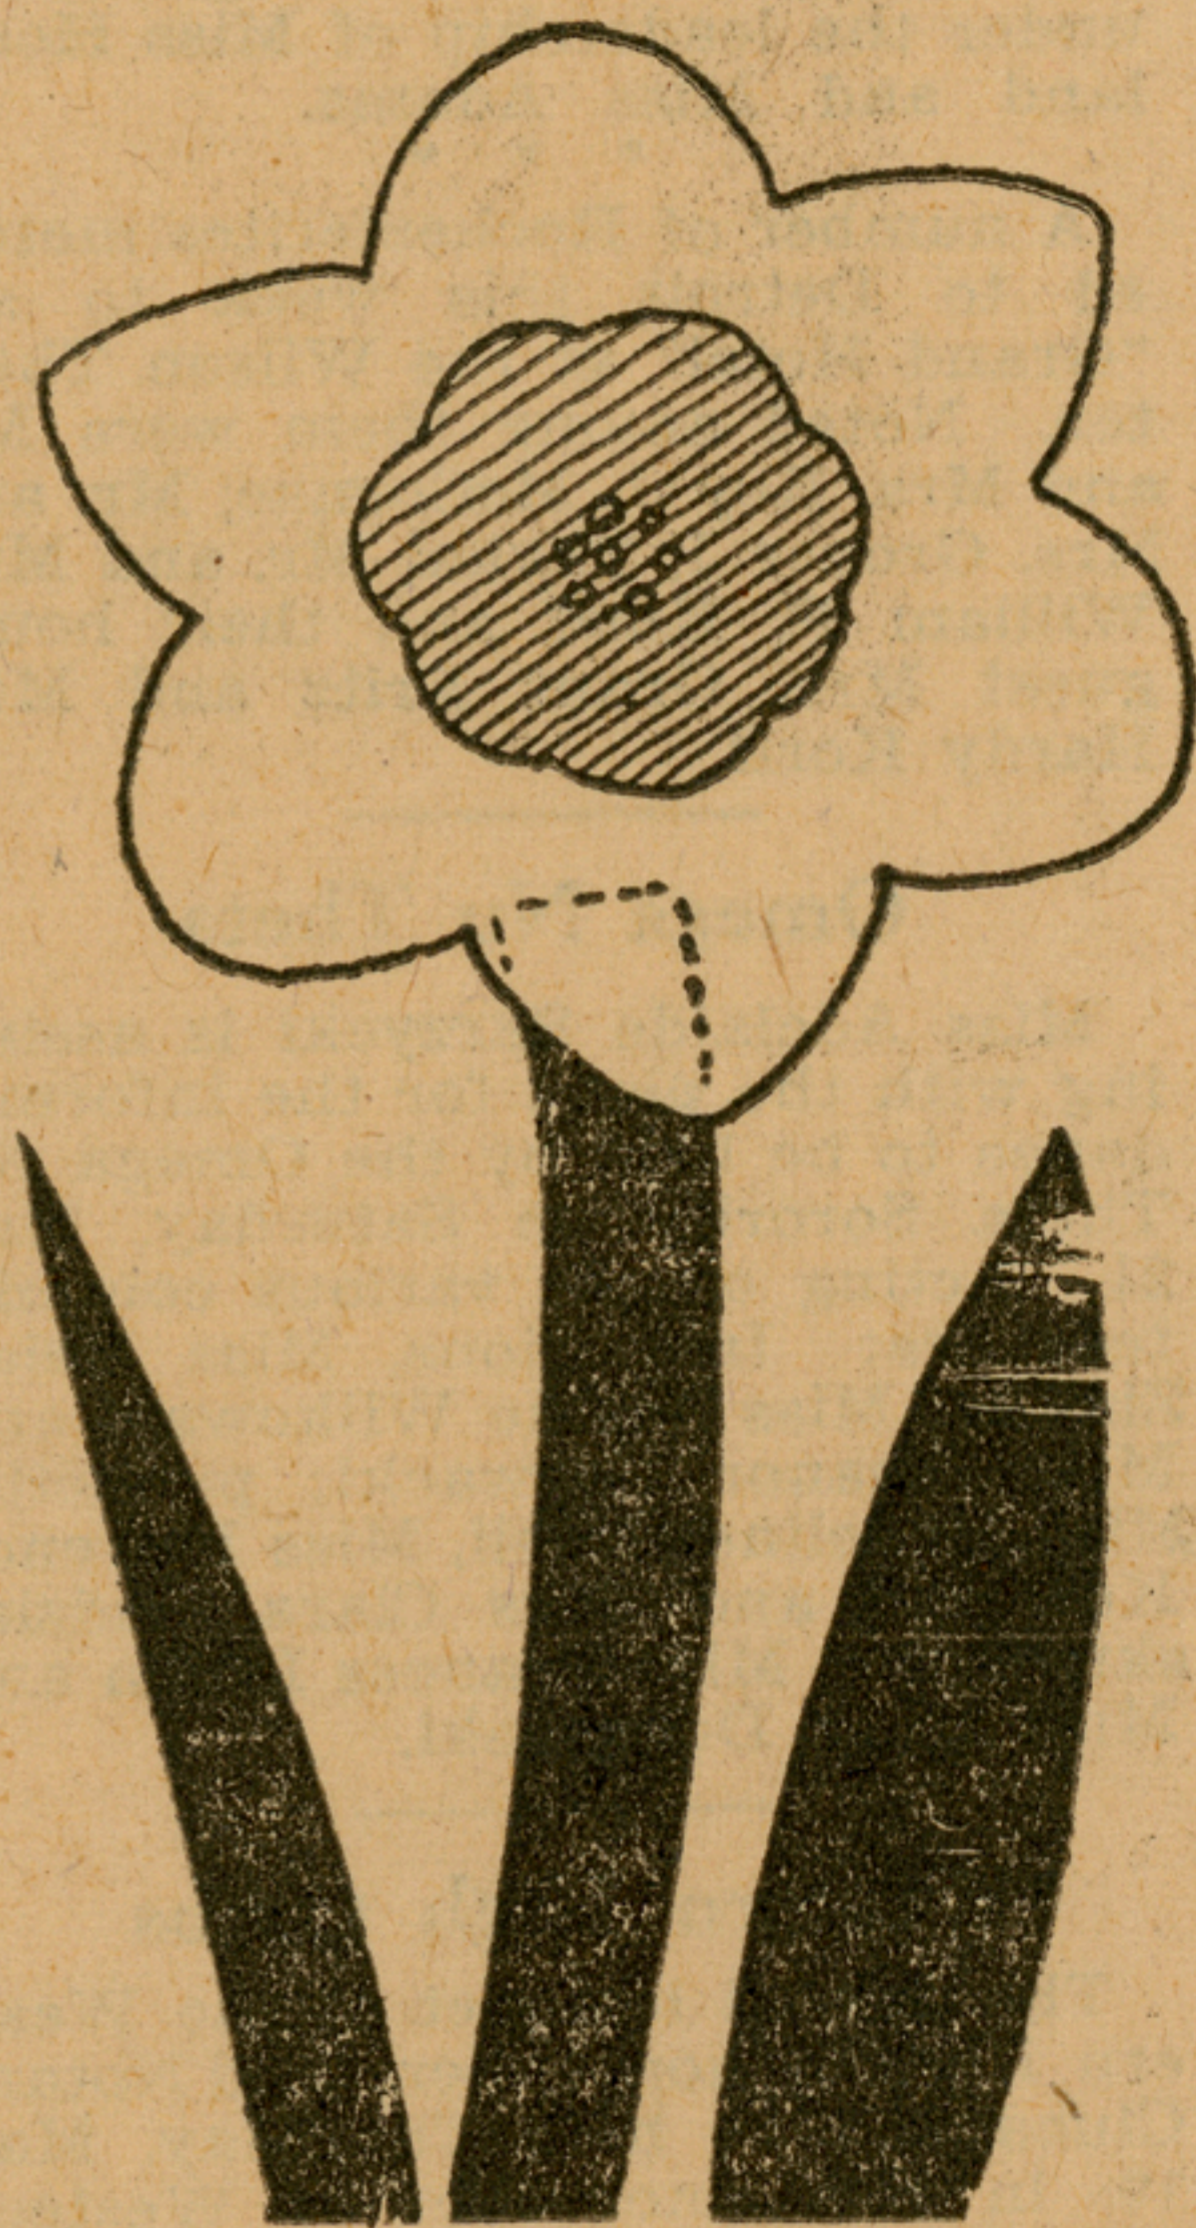

If you are making this quilt or are saving the patterns do not fail to send for the daffodil pattern.

If you want to begin the Nancy Page quilt, and wish the back patterns, together with an instruction leaflet, all the back numbers will be mailed to you on receipt of your name and address and 20 cents, in coin or stamps. Single patterns are 5 cents each.

Those which have been printed are patterns for urn, saucy bird, meek bird, tulip, cactus, lily of the valley, wild rose, trillium, Canterbury bells, nasturtium, pansy, primrose, zinnia, phlox and tiger lily. The patterns for the urn and for each of the birds are used again and again, every time a quilt block is made.

Please do not send stamped envelopes. Your envelopes may be too small for the patterns.
