#### Garden Quilt Popular.

I am making the Flower Garden quilt and I think it is going to be just beautiful. I have made each of the blocks as it has come out and every one who sees the quilt wants to make one like it.

You will probably start a little quilt-making bee among your friends, Mrs. H., and what fun it will be when all are making the same quilt and trying to have different colors in the flowers. Thank you for writing.

### Lily of the Valley Is 16th Design

HOW happy you will be to know that this week's leaflet has on it a pattern of the Lily of the valley for the sixteenth block of the Flower Garden Quilt! Really, you could not consider that your garden would be complete without this dainty little flower, so

here it is waiting for you.

In all, remember, there will be 21 different block patterns for this quilt, 20 being used for the top, which will be four blocks wide and five blocks long. The extra block should have 16 made alike which will be for the border to fit on the two sides and the end.

Please remember, also—that from now on no notices for patterns will run over one week, so you must watch this column closely in order to keep up with the other quilt makers and have just as many blocks as they.

A number of readers have asked if blocks might be had in advance; but that is impossible. No envelopes will be held for future patterns. By asking for one pattern at a time you will receive the most prompt service.

To receive this sixteenth pattern, the Lily of the Valley, just send your request for it to the Beauty in the Home Department, The Detroit News, enclosing with it a self-addressed, stamped envelope. Copies of this leaflet may also be secured by calling personally at Public Service Bureau in the Majestic Building or General Motors Building.

Back patterns of this Flower Garden quilt may also be secured at either of these Public Service Bureaus.
