800 Designs for Only 49c
In News Wonder Package

By EDITH B. CRUMB.

This department seeks to give assistance to all who are interested in beautifying their homes and will be glad to answer questions pertaining to interior decoration. In order to serve all who seek advice promptly on more than three problems will be discussed in any one reply. Readers are invited to write to this department as often as they wish, but to limit each letter to three questions. State your questions clearly, write only on one side of the paper, enclosing a self-addressed, stamped envelope, and address Beauty in the Home Department, Detroit News. Letters with their answers will be published for the benefit of all homemakers, but names and addresses will not be made public.

JUST look at Mrs. Bunny all dressed up in her "Sunday-go-to-meeting" flowered frock! Doesn't she look just perfectly lovely, though? And she is very nice, for she is willing to be used for a laundry bag and does not say a word if you use her nice, long slim slick ears with which to hang up the bag.

Mrs. Bunny is only one of the more than 800 designs in The Detroit News Wonder Package. All of these designs (with the exception of 12 quilt patterns which are included for good measure) may be transferred by dampening the backs with water and rubbing slightly with the bowl of a spoon. Could anything be more simple. And isn't it a relief to get away from the nuisance of a hot iron?

There are patterns in this Wonder Package that the children will enjoy and because they will be able to transfer them instead of having to depend upon some of the grown-up members of the family, they will be certain to prove helpful to mothers on rainy days.

ARMY OF SOLDIERS.

The little soldier at the right of Mrs. Bunny may be transferred to

cardboard, painted and cut out to make an army. You see, this design may be transferred 12 or more times, so it is very practical.

The clown at the right would make a good pattern for painting and might be used for the decoration of a toy box.

The bunny pattern is about eighteen inches long, and just the right

size for a laundry bag for the baby's room.

In one of the small illustrations is shown a steamboat, and what boy does not delight in painting boats and if carefully done one of these might be framed and used for a wall decoration in a little boy's room.

The little fisher shown in the other small illustration would also make a nice picture for a child's room.

HUNDREDS OF USES.

And the Wonder Package is not limited to designs for the children, for there are motifs suitable for furniture, draperies, bedspreads,

slip cover decorations, pillows, canisters, and really one could go on and on describing the different uses to which these fascinating patterns could be put.

The nice part of this Package is that the designs may be transferred to wood, metal, paint, enamel, leather, oilcloth, cotton material, silk—in fact any flat surface on which one might wish a decorative touch.

Horoscope Quilt
Pattern No. 25

HERE it is—pattern No. 25 for the Horoscope quilt and when you send for it be sure to enclose a little note and tell whether you would like to have the "Trip Around the World" within a couple of weeks instead of waiting until the end of the summer when the Horoscope will be finished.

If you call for your leaflets instead of having them mailed, then drop a one-cent post card to the Beauty in the Home Department or the Quilt Club Corner and "vote" for the "Trip Around the World" pattern if you want it. I don't see how you can resist it. It will be the prettiest you have ever made and everyone who sees it will want to start to cut and sew pieces for one.

The leaflet for this week has the last of the zodiac signs but there are more designs to come for the border.

To receive this leaflet, just send your request for it to the Beauty in the Home Department, The Detroit News, enclosing with it a self-addressed, stamped envelope.

If you prefer, you may call for this reprint from The Detroit News at The Detroit News Public Service Bureau in either the Majestic Building or the General Motors Buildings, where it will be given you free of charge.

And—don't forget to vote for the "Trip Around the World."

your convenience, enclose 56 cents in stamps or a money order (do not send coin in letters) and the package will be sent out to you immediately upon receipt of your request.

Brightening Room.

I would like some help with brightening my living room and adding character to an otherwise drab appearing room.

I would like to know what to put on my fire-place shelf, which is broad and low. At present I have a medium sized mantel clock.

Is the lighting as shown in my sketch adequate? What changes should be made, if any?

What type of picture shall I put over the fireplace?

The rug in this room has a gray taupe rose, blue and white walls and
