QUILT CLUB CORNER:

MY dearest friend was helping me quilt this morning so at 11:45 we turned the radio on and listened to you broadcast your message on quilts. We certainly did enjoy your talk and I understood you to say that for 9c in postage I could get the Flower Garden and Double Wedding Ring patterns. Please tell me how I might find out the different names of quilt patterns you have.

MRS. O. A. M., Birmingham, Mich.

Yes, 9c postage will take care of the patterns you wish. You see, the Flower Garden quilt has 22 leaflets and that is why the postage is more than the regulation 3c stamp.

The names of the quilts other than those you mention are: Lucky Four-Leaf Clover, Handy Andy, Dresden Plate, Prairie Queen, Philadelphia Pavement, Peek-a-Boo, Winged Square, Jacob's Ladder and Flying Cloud.

HAVE finished two quilts from News patterns—the Dresden Plate and the Double Wedding Ring. They are very beautiful. Have them quilted, too.

I am 77 years old and still love to make quilts. I was only two weeks and two days cutting and sewing, by hand, the Double Wedding Ring which I think was good time for one of my age. My home is in Tawas City, Michigan but I have been in Detroit this winter.

MRS. S. CONNOR.

I not only think that was good time for anyone 77 years old, but good time for any age. I do not see how you ever finished that quilt so quickly.
