Changes Radio Time

WOULD you like to have letters to the Quilt Club Corner read over the radio? If so, write immediately so that they may be here in time for the broadcast

Horoscope Quilt
Pattern No. 29

EVERY one who has been working on the Horoscope quilt will be happy to know that there is another pattern ready for the border. Of course, you were given three in one week to make up for the week that was to be used for sending out the "Trip Around the World," but the border designs are so easy that you have, probably by this time, finished all three and ready for more and here is the 29. You'll like it too, I am sure.

To receive this reprint from The Detroit News, all you have to do is to send your request for it to the Beauty in the Home Department, The Detroit News, accompanied by a self-addressed stamped envelope.

If you prefer, you may call for this at The Detroit News Public Service Bureau in either the Majestic Building or the General Motors Building, where it will be given you free of charge.

deep ivory woodwork, walls treated with a scenic paper in tints of beige, with a touch of green.

The floor covering may be plain green, the glass curtains of light ecru voile and the over-draperies of plain green chintz.

The covering for the sofa might be of green ground printed linen and the extra pillows covered in gold taffeta, this same tint being used for the interior of the corner cupboard.

Quilt Club Corner.

WAS very much surprised when I read the letter by Gran in the Corner of today's paper. I am very sorry, but I wrote to Gran some time ago, thanking her for the lovely box of pieces she sent to me. So perhaps, dear Gran, you have received my letter and, by the way, I sent it to Emerson avenue, not knowing you had moved. I also sent a card to the Corner telling the Club I had received a number of letters and pieces from different ones, but did not see it published. Perhaps I missed it and I did not get to hear the broadcasts. I am surely pleased that the "Trip Around the World" pattern has now so much favor. I want to thank the many ladies

for their exchange of pieces and the cheery letters, and also the ones who called me on the phone. Mrs. Fisher, Mrs. Petrie, Gran, Mrs. Thompson, Mrs. Bowen, Mrs. Lamber and others. Perhaps some day we may meet and express our appreciation personally.

A relative of mine called on Mrs. Petrie and wrote and told me what a lovely person she is, also about her beautiful quilts.

Well, I hope I am square with the Quilt Club, for I would not willingly hurt anyone's feelings.

Best of luck for the Corner and members. MRS. F. C. WEBER.
 Detroit, Mich.

I am sure, Mrs. Weber, that the change of address was the cause of having your letter arrive late and, no doubt, Gran received it while her letter was on the way to the Corner.

Hope that all of the ladies who have written to each other and made calls will be able to get together during the contest.

I AM very much interested in the letters to the Club and would like to hear from someone in my neighborhood. Have been making a quilt which was not from a News pattern so, of course, I cannot enter it in the contest, but if I have time will try to finish another one.

Hope this brings some news from some one out this way.

Of course, you will have time to finish another quilt before the Con-
