have to quilt it now.

I also made one of red, white and blue broadcloth. I had to add one more block to this last as there are only 28 blocks to one big block. This was the first quilt I ever made so I was up against a lot of things, but it turned out fine.

I have the Double Wedding Ring almost pieced. I will come again, if I may, and tell you about my experience in quilting. MRS. G. C. H.

Of course, you may come again, Mrs. H. The Club will be happy to have your letter. All are encouraged to write and get better acquainted. Who ever heard of a quilt club without lots of conversation?

I would like to become a member of your Quilt Club. I have just finished my second quilt and expect to start the Horoscope pattern.

I am a widow, having just lost my husband, and sewing helps me to keep more contented. I am awfully anxious to start the quilt and I wish your Club much success. I am 23 years old. MRS. M. G.

Age does not have much to do with quilt-making, does it, Mrs. G.? We have members ranging from 19 to 73 and all are enthusiastic. Glad to know that you have found something to keep you contentedly occupied.

On leaflet one is the design of figured material with white background as it looks or plain white?

I made four quilts last year and was the first, I think, to have my flower garden quilt finished. Do you remember? I quilted it before you even gave the quilting design — as soon as the last block was out.

I want to keep up with this one too. I have been helping others one day a week for the last two weeks and expect to keep it up for a while.

By this you may think I am a grandmother, but I am only a young mother with two small children. I also made quilts for them, one an A. B. C. and the other with a design of chickens. I sure enjoy this quilt making and am now finishing an Irish chain design. MRS. L. W.

The design on the first pattern is a white ground flowered or small figured print.

You must be a very busy person. Yes, I remember, I believe, about how quickly you finished the quilt last year. Do write again.

### Pattern No. 2 of Horoscope Quilt

NOW we have ready for you the second pattern of the Horoscope quilt. If you have not sent for the first one, do not wait any longer to get started on this fascinating quilt.

And do not forget that there is to be a contest after the patterns for this quilt have been finished.

Even if you do not wish to make a Horoscope quilt, you may still become a member of the Beauty in the Home Quilt Club if you have ever made a quilt from a Detroit News pattern or intend to make one.

In sending in your request for the leaflet of Pattern No. 2, please enclose a self-addressed, stamped envelope. If you prefer you may obtain this leaflet free of charge at The Detroit News Public Service Bureau in either the Majestic Building or the General Motors Building.

and interior of the shelves would be attractive if finished deep blue or red.

Draperies would not fit into a room of this type, for the figured paper would not allow for patterned material at the windows, and because it is for a boy, it would be more appropriate to leave the rooms as simply treated as possible.
