OLD-TIME NOSEGAY—LEAFLET NO. 29.

ARE you sorry that the quilt is almost finished? This is the last flower for the side borders—and you will need two—and then you can start work on the bottom strip. The name of this flower is the crane's bill and I think it should be developed in soft yellow to go with the henna of the sweet William or else something figured green. Now the two side strips are finished and the next leaflet will discuss the remainder of the making of the quilt.
