BROTHER-SISTER QUILTS — LEAFLET No. 5

By EDITH B. CRUMB.

DID you ever see a prettier boat?
 How would you like to sail in a
 plaid boat on polka dot waves?

The making of this block is very
 simple and the instructions for trac-
 ing and cutting are the same as
 those suggested on Leaflet No. 1.

The body of the boat should be
 cut of material that forms straight
 lines for the base; and it may be of
 brown and white, the waves being
 of blue with white polka dots.

Follow the designs of the patches
 shown on the sails as nearly as
 possible, introduce some with bright

like bright colors?

Watch for the announcement of
 the leaflet next week. This will have
 on it a pattern of the tree which is
 to be used in the blocks of the cen-
 ter portion of the quilt and also for
 the border.

New color schemes, furniture grouping, or some phase of home beautification appears in the "Beauty
 in the Home" column by Edith Crumb every day in
