## MOTHER GOOSE QUILT SERIES—PATTERN NO. 20

### THE CROOKED MAN

Here is the crooked man, who walked a crooked mile; found a crooked sixpence upon a crooked stile; bought a crooked cat which caught a crooked mouse, and they all lived together in a little crooked house.

But be sure to cut the block straight or your whole quilt will be crooked.

This may be worked out in an etching stitch in red, blue, green or any plain color; or the whole block may be made in applique.

The crooked man may have a dark green suit with yellow buttons and a brown hat with a green

feather. This is also attractive in a combination of applique and solid embroidery. The shoes, hands, and cane may be of the solid embroidery and so may the feather on his hat.

See general direction leaflet, giving yardages and measurements of blocks, joining strips and borders of quilt.
