Quilt Has Chevron Border

By EDITH B. CRUMB

AFTER being away for some time on a vacation, Mrs. Dora Rennis, 1954 23rd street, returned to the Quilt Club meeting yesterday and brought a quilt which she had just completed.

This quilt is known as the Friendship Knot and has been carried out in a variegated color scheme. It is similar to the Double Wedding Ring, except that there are fewer wedges in the circle and diamonds are used at the intersections instead of squares.

The background of the top is white, and the border and back are peach. The border is made of many colored diamonds arranged in chevron fashion and the edge is bound with bias binding made up of a variety of plain materials.

The white squares in the centers of the rings are quilted in a conventional pattern harmonious with the design which has been worked out with the prints.

Mrs. Rennis has another quilt started from this same design and thinks it is a fine pattern to utilize small scraps of material.

YESTERDAY Mrs. Alice Yeardley brought the name of a new member—Mrs. Myrtle Lang, Bldg. A., Ward 202, Eloise, Mich. Mrs. Lang has been an invalid at Eloise for 12 years and would appreciate hearing from you or having you call on her. She is able

Homemakers Conference

You are cordially invited to attend the Homemakers Conference at 2 p. m. Tuesday in the Auditorium Studio of WWJ, The Detroit News.

The program will include a band concert by the Wuritzer Boys' Band, a dance recital by students of the Ricardeau Studio, two-piano numbers by Marcia Glasser and Muriel Lipson of the Rubenstein Piano Studios, a talk on "Salad Meals," and a travel motion picture, "New England, Yesterday and Today."

Admission tickets may be obtained without charge at the Home Institute office of The News, at the branch offices in the Majestic or General Motors Building, or reserved by calling Randolph 2000, line 297.

to sew and I think that a few pieces of quilt materials would do much to cheer her.

Another new member who joined yesterday was Beverly Kansler, 5303 Iroquois avenue. Beverly is 41 years old and is working on a cross-stitch sampler. She has an envelope of patches, so perhaps the next time she comes to the Corner meeting she will have a quilt started.

Mrs. Marian Ridler says that next Thursday at the Quilt Club picnic on Belle Isle there will be exchanging of books. If you have books which you are through with, bring them along and trade for some you would like to own.
