Quilt Raises Money for Church Treasury

By EDITH B. CRUMB

IT'S ALWAYS fun to have special quilts to look for at the big quilt show.

One which you will find interesting has 720 names on it . . . many of you may find your own embroidered on one of the rays of the small sunbursts.

The quilt was presented by the members of the Senior Choir of St. Lukes Evangelical Lutheran Church, Field and Kercheval avenues, to the pastor and his wife—The Reverend and Mrs. Theodore Mittermaier.

One of our Detroit News Quilt Club Corner members, Mrs. Ynez Grenkowitz, had charge of the designing and making of this quilt. A charge of 10 cents was made for every one who wished to have his or her name embroidered on it.

When the cost of the materials was deducted from the total receipts, there was almost \$70 to put in the treasury toward the building fund. Most of the embroidery was done by Mrs. Grenkowitz and the quilting was done by a professional.

The color scheme of the quilt is gold and white. The blocks are white, the joining strips gold. The embroidery is done in gold and the quilting in white.

MRS. GRENKOWITZ would like to know if someone will lend her a pattern for a hot pad. The church is to have a bazar on April 12 and she would like to

have a quantity of these made to sell at one of the booths.

Mrs. Harry M. Williams, 23120 Bohn road, Belleville, has written this note:

"Dear Miss Crumb: Will you please thank each and every one of those kind friends who sent me the pattern for the Double Irish Chain? I was taken to the University Hospital in Ann Arbor because of a serious throat infection, but I am home again and now that I am able to sew, am so grateful to those who came to my aid with the patterns."

For Fluffy Sweaters

After woolen sweaters have been laundered and dried, fluff them up lightly with a soft brush to restore their softness.
