

# Approximately 1,000 Names Are Written on This Quilt

By EDITH B. CRUMB.

THE members of the Cradle Roll Club of Mt. Zion Evangelical Lutheran Church, Gratiot and Six Mile road, decided to make a quilt as a surprise gift to the Reverend and Mrs. William Nies on their tenth anniversary of the church. But somehow or other the "cat was let out of the bag," and in no

of the congregation and their friends, and about eight of the Cradle Roll members embroidered these names.

Robert Wingartner, 16 years old, designed the quilting pattern, and the Mt. Zion quilters did all the quilting and binding, putting on the finishing touches.

On the evening of Oct. 21 there

time at all Mrs. Nies found out about it and, of course, she just couldn't keep it a secret.

Nevertheless, there will be just as much joy in receiving it as if it had been a complete surprise and maybe more so for to watch its progress certainly must have afforded Reverend and Mrs. Nies considerable pleasure.

### DESIGN IS UNIQUE.

Mrs. Ottmer Hoffmeyer, 12699 Barlow avenue, designed the quilt, which has for the center motif Luther's coat of arms, this also being the center of a large blue cross. The blocks were pieced together by Mrs. Hoffmeyer and Mrs. John Brandt.

Miss Meta Graf, who was visiting here from Waterville, O., wrote all the names in the blocks, the names being those of the members

will be in the church a motion picture in celebration of the life of Martin Luther, after which will be the big "surprise," the presentation of the quilt to Reverend and Mrs. Nies. Just imagine how astonished they will be!

### HURRY ALONG!

And now do you realize that you have only two more days in which to bring your quilts to The News for entry in the big Contest which is to be held Oct. 12, 13 and 14? Don't let those dates deceive you and make you think that you have lots of time in which to enter your quilt. Oct. 6 at 5 p. m. is the deadline—and you should see how they are coming in and being piled up.

We plan on having more time for arranging the show this year,

and that is why Oct. 6 is the last date for entries.

### No Address Given.

Dear Miss Crumb: Will you kindly help me out on a matter that is quite important to me at this time, and that is in regard to the color of furniture to be used in my kitchen?

To begin with, the walls are a tan, doors and woodwork dark oak. These colors cannot be changed. There are two windows in the

kitchen which face the south east. Linoleum rug cannot be changed.

I have some new cottage curtains, with tiny green ruffles, and a pattern interwoven through some of the same color; curtains themselves being white.

My stove is sun tan and ivory, refrigerator is white.

Will you kindly advise what color to paint the chairs and table? Do you think there would be too much green to have the furniture painted in green, same shade as

that in linoleum and trimmed with orange, with a little black trimming?

If you will be kind enough to give me your opinion regarding the above, same will be greatly appreciated. I did write you some time ago, asking for some information regarding the color scheme for a room, but never saw my letter in print. However, I know that you have many letters that you cannot take care of but if you will print your reply to this letter at the

earliest possible date, it will be greatly appreciated. M. E.

Since the room has bright morning light you would do well to paint your furniture the blue-green which is in the linoleum and use a line trimming of red-orange. If you like, your table-cloths might be the gay plaid ones in orange and black. I should not try to introduce black into the colors of the furniture.

You have given no address and letters such as this are usually a long time getting into the paper as they have to take their turn. The next time you write, please send a self-addressed, stamped envelope in order that you may have your information on time.

May I join the Quilt Club? I know almost nothing about quilts, but hope to learn a great deal.

I have a rather interesting silk quilt which was finished in 1878. The lining is made of the wedding

### Anxious For Contest.

It's been ages since I have written to the Club Corner. I've been very busy doing my canning.

Won't Miss Alice Hale please send her new address so that I may send her a quilt pattern she asked me for?

Miss Crumb, every one is so nice, you wouldn't think that there were so many nice people in the world.

I can hardly wait till the Contest. MRS. JOS. BLASKO,  
177 Woodmere, Detroit, Mich.

It is a long time since your name has come in on a letter and I am glad to see you back with us again, Mrs. Blasko.

I hope that Miss Hale sees this and gets in touch with you.

Oh, yes, every one in the Quilt Club is just as nice as she (and now I must say he, too) can be, and I know that you will enjoy every minute you spend at the Contest. I should say hour for I know that you will stay a long time.
