

Two Days Left to Make Ent

Deadline Is Set for Saturday

By EDITH B. CRUMB

REMEMBER that you have just two more days in which to bring in your quilts for entry in The Detroit News Quilt Show to be held Oct. 7, 8 and 9, in Convention Hall.

Have you been in the quilt office, 827 Lafayette boulevard west, in the past few days? If so, you have seen the quilts which are bagged and stacked up like cord wood. By now they are about four rows deep and much higher than my head.

There is a steady stream of visitors all day long and the nicest part of it all is that everybody is so happy and good natured I want to stay and chat with each one. But there will be plenty of opportunities for that at the show.

I HAVE heard so many quilters say that they intend to go to the show every day and all are doing so much to help make it a success. Here is just one letter that will give you an idea of the spirit of the whole crowd. It is from Mrs. William Henry Blair, 2649 Sixteenth street. Mrs. Blair writes:

"DEAR MISS CRUMB: In a few days I shall have a very big surprise for you and all my Quilt Club friends. I have been burning the midnight oil and my ducks are nearly all quilted. Imagine! I just can't believe it myself. It will actually be quilted for the show.

"When I brought the top down last Friday I did not have the slightest intention of entering it. I didn't feel it was worthy of competition with all the beautiful quilts I have seen that are to be entered. But every one was so enthusiastic about it that I decided to give them a grand surprise by entering not the top but the completed article.

"With it I shall bring nine other quilts and two tops.

"I send kindest regards and all good wishes for the largest and best quilt show we have ever had.

"I have some lovely black wool pieces which I will be glad to pass on to any one who is making a

Pork-Pie Hat of Feathers

Here's a pork-pie hat of Kingfisher feathers in mauve and gray and blue. The tulle veil is mauve-gray tint, exceedingly flattering to the skin. This young lady has acquired the perfect feeling of Edwardian fashions, so smart this fall. The hat is designed by Aage Thaarup, of London.

woolen quilt and would like to have them."

MR. ADA B. CHILTON, 415 West Gilmore street, Angola, Ind., has also written to say she is going to send her Bird quilt and four others to the exhibit. So many have asked to see the Bird quilt again that we are happy to know she will send it. She also intends to come to the show.

Mrs. Elsie Jenkins, 5952 Middle Belt road, Garden City, Mich., says

she started the applied Flower Garden quilt from a News pattern quite a few years ago. She has only finished eight blocks and now she wants to finish it but has lost her patterns. Is there someone who would be kind enough to loan these patterns to Mrs. Jenkins? I am sure she would be very prompt about returning them.

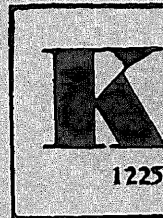

A can of crushed pineapple added to leftover applesauce makes a delicious dessert.

Carving the

WHEN Father says, "I'm in the kitchen," it means that he merely lacks confidence in his own ability to carve. The best way to gain confidence is to practice—to take advantage of the opportunity to carve on proper tools and a knowledge of a few principles, carving is an easy task, which lends charm to the meal.

PROPER TOOLS

For easy carving, proper tools are essential. No one can do good carving without a sharp knife. Sharpen the knife as often as necessary. A steel for t
