

# News Quilt Club Corner Has Record Attendance

By EDITH B. CRUMB

THE fall session for the quilters started out with enthusiasm yesterday. Attendance at the Quilt Club Corner meeting was about double the usual number and the good old custom of exchanging patches and monogramming friendship blocks was going on at a great rate.

Quilt-makers who became new members are Mrs. Agnes Mal-louch, 533 Manistique avenue; Mrs. John Binsfeld, 1824 Hampton road, Grosse Pointe Woods, (Mrs. Mallouch's daughter); Mrs. Wm. Ross, 2669 Marlborough avenue, and Mrs. Roy Fringer, 12939 De-voe avenue, Wyandotte.

Mrs. Anna Dupure brought a pair of appliqued pillow slips and two hand crocheted hot pan hold-ers for the Nancy's Belle's bazaar.

This seems to be bazaar season. Next Tuesday members of the Women's Association of Bushnell Congregation Church, Southfield and Grand River avenues, will hold a tea and exhibit from 1:30 to 8:30 p. m. This exhibit will include quilts, embroidered articles, laces, crocheted spreads, needle-point and antiques.

MRS. FRED BOLLENS is chairman of a committee of 10 which represents the 175 mem-bers on the roll. These members are from North and South Rose-dale Park and Grandmont sec-tions.

Next Friday the women of St. Mark's Church, East Jefferson at Garland avenue, will hold their fall fair. Mrs. H. A. Dorman is chairman of the fair, which will open at noon and last until 10 p. m. Luncheon and dinner will be served.

Fruit and flower arrangements, canned goods, baked goods, em-

broideries, laces, quilts and hooked rugs will be included. The young people are planning a hobby cor-ner and there will be shuffle board and checkers for the men.

Yesterday we had a quilt ex-hibit of our own at the Quilt Club Corner meeting. There was only one quilt but there was

## Home Institute Calendar

HOMEMAKERS CONFER-ENCE, 2 p. m. Tuesday—Col-ored moving pictures of Mexico to be shown by Robert B. Griffin; dance recital, talk on Halloween menus and decora-tions; vocal selections; and entertainment by Tommy Lewis, young actor.

## Every-Woman's Almanac

Saturday, October 21

Sunrise 6:52 a. m. Sunset 5:42 p. m.

Weather: Bright blue of Oc-tober.

What is a hat without a stiff bow or wide streamers?

"Come heads, come tails,  
Which shall it be,  
A coat for my son  
Or a tupelo tree."

Thomas A. Edison made the discovery that made modern electric lighting possible 60 years ago today.

"Prime cheerer, light!  
Of all material beings first  
and best!"

Moon—Two days after First  
Quarter
