BY ADDING a few foods to the menu suggested for the luncheon you can turn it into an appetizing dinner menu. Begin the meal with cream of spinach soup, serving with it croutons cut in the shape of shamrocks.

Instead of, or in addition to the relish, serve a tossed green salad. The mint ice can be used for the dessert, but richer pistachio ice cream is a more appropriate climax for the heartier meal.

Pistachio Ice Cream

Two-thirds cup ($\frac{1}{2}$ can) sweetened condensed milk, $\frac{1}{2}$ cup water, $1\frac{1}{2}$ teaspoons almond extract, $\frac{1}{2}$ cup chopped pistachio nuts, 1 cup whipping cream, $\frac{1}{8}$ teaspoon salt, green coloring.

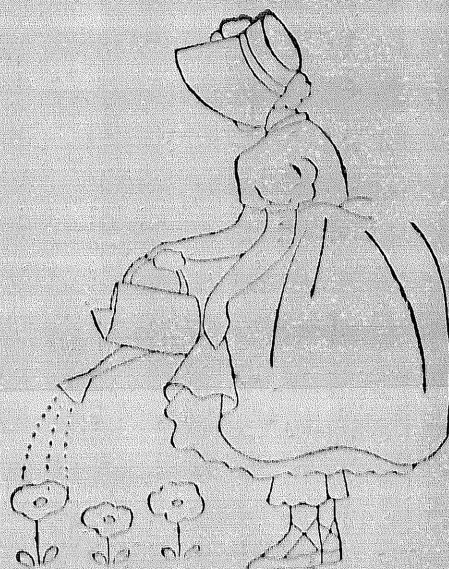

Mix sweetened condensed milk, water, flavoring and salt, and chill thoroughly. Add nuts. Whip cream until consistency of custard and fold into chilled mixture. Add enough coloring to tint pale green. Freeze in automatic refrigerator until mushy. Scrape from bottom and sides and beat until smooth, but not melted. Replace in freezing unit and freeze until firm. Serves six.

In Sunbonnets

THE THREE LITTLE MAIDS QUILT, ID-24, is charming for a little girl's room. The block designs include, beside this little maid sprinkling her garden, another sunbonnet girl walking with a parasol and one all dressed up in her best Sunday clothes. These blocks are alternated with flower designs.

This is a good pattern for the quilter who likes to embroider, for the designs can be done in outline stitch with special touches in embroidery. If preferred, the whole quilt can be made in applique.

Leaflets are one cent each if called for at The Detroit News, General Motors or Majestic Buildings.
