## Stitch and Chatter Club Sews for Child Patients

By EDITH B. CRUMB

THE CHILDREN who are patients in the Shriners' Hospitals for Crippled Children in Chicago and Springfield, Mass., will never be neglected as long as there is a Stitch and Chatter Club of Moslem Shrine here in Detroit. The members of this organiza-

and necessities are sent to the hospitals. Even the necessities have been planned to be attractive to the children. The little dresses and bibs have small appliqued figures, and for spreads, a fine quality of broadcloth is used and embroidered and appliqued nursery designs are put on in gay colors and materials.

THESE WOMEN even earn the money for the materials by holding bridge parties. The next one will be held the second Friday in March in the Shrine Temple

At Christmas time each child writes a letter and gives a list of two or three things which he or she would like to have and the Stitch and Chatter Club members to it that these wishes are fulfilled.

Howard Westlake, an old-time friend of the organization, donates a large supply of new shoes, clothing, books and toys. Nine handmade quilts were sent at Christmas time and there

are 14 being made now, no two alike. One is a patriotic quilt with embroidered emblems which were taken from a dress pattern.

Another one is blue and white
with nursery designs in blue and
white cross-stitch.

THEERY yellow tray cloths and Chapkins, hand-hemmed and decorated with a small applique in one corner, help to make each

meal a party for the patients.

Besides these there are bandages, towels, bandage holders,

hot water bottle covers, hand towels, dresses, underwear, night shirts and pajamas, all for chil-dren ranging from six months to 16 years old.

Mrs. Anne Moore is chairman of the sewing and cutting and that alone is a huge responsibility. All of the work that is being done now is for the boxes which

will be shipped out in June.
