Dear Mrs. Gasperik:

Thank you so much for your letter telling me that the quilts were received in good condition.

I think you will enjoy making the Rose Medallion quilt and also the Friday Afternoon quilt pattern, and I will be anxious to see them in the next quilt show. Of course, I will be interested in seeing your original design also.

I am sorry that I do not have the Laurel Wreath quilt pattern, but I will put a little request in the paper and perhaps someone will be kind enough to loan it to Mrs. Reynolds.

Sincerely,

Edith B. Crumb
