Mrs. Katherine Webb Hamburger, 11435 St. Louis ave., who has made 80 quilts in the past 22 years, looks at one of the quilts in her collection. The quilt contains 16,000 pieces of material and has a design of the cottage of Ann Hathway, Shakespeare's wife, on it. Each flower in the quilt is as large as a 10 cent piece. Mrs. Hamburger will display the quilt and others in her collection in an exhibit in the American Legion hall, 3309 W. 111th st., Wednesday.

man—waits for us to muster sufficient courage to desert our sacks.

"This old campaigner has an honest-to-goodness service record and held the enviable rank of technical sergeant—that is, until she got herself busted. It happened during a smoker aboard the ship which was taking us from Saipan to our present location. The show was having a bad time getting under way. Frankly, it was courting a briny death and leaving us all yawningly bored. Evidently Sneezle decided to take matters in her own hands—so to speak—for, walking to the center of the 'stage' she calmly (and gallantly) committee a public nuisance and trotted briskly off. That, coupled with the appearance of an harassed volunteer meekly bearing a mop, was more than we could stand. We giggled, chuckled and finally roared with laughter. After that the show sparkled with new life and floundered no more.

fashioned dress appears on a green and yellow quilt and another quilt has a figure of a girl clad in a pink and standing in a rose arbor.

Another of unusual design is one that Mrs. Hamburger refers to as her Stitch and Chatter club quilt. This quilt has on it the figures of 50 women, each sitting in a high-back chair. The women are shown darning socks, running sewing machines, making quilts and serving tea from a tea table. They represent the Stitch and Chatter club of which Mrs. Hamburger is a member. However, there are only 12 members in the club.

At the present time she is working on a quilt which she refers to as her Hawaiian quilt because it consists of a palm tree and a design of Hawaiian flowers. The unique thing about this quilt is that the design is all in one piece. It took Mrs. Hamburger two days to cut it out.

Mrs. Hamburger has exhibited her quilts at county fairs and hobby shows and has 45 prize ribbons. The 16,000-piece quilt has won six blue ribbons. Her handiwork has been exhibited in New York, Detroit, Boston, Marion, Ill. Tilden
