Dear Mrs Casperick-

I am writing you in regard to the appliqued quilt you exhibited at the State fair in Springfield last summer. Do you have the pattern & could I get it, or where did you get it & the name & price. I want to make one more quilt & want it appliqued, not pieced or painted - I got second prize on a painted one with pond lilies & cat tails. I am \$5 1/2 & just want to make one more. I want to hook & braid rugs. I admired your quilt very much & would have liked to see it spread out to see the full design. If I can't get your design, I may design one. I have designed 4 quilts, 3 painted & one appliqued. Won prizes on all. Mrs Cummings
