Daughter of Mrs Gaspeik:

Greetings

in our Saviour's name,

Thanks

for answering your mother's mail and letting me know about the "Hungarian Peasant" quilt shown at Springfield fair. So very many are beginning to collect patterns the past 5 years. Nearly every week - get request for some pattern. Do not always have. Had wanted Hungarian Peasant for my self. Not to sell or trade. And, would buy the top laid out - if any of you girls cared to help her. But will understand, if you do not care to. Have some myself that

do not offer far know work
involved in making. Many do
not understand time it takes.

Have a top just finished, a
Memorial to my sister. It is as
God showed me her happiness
in the Great Beyond. ^{not guilty}

Heid not answer sooner (you
wrote answer to me Oct. 17) was
on the ill side myself and
just pegged around house.

Want you to know pleasure had
in seeing the quilt, and hope
may see another come next
fair. Hope to enter 1 or 2 next year
too.

Wishing you one and all the blessings
of Our Lord this holy season.

Sincerely

Mrs. Dollie Burdell
