Premium #14001 at the  
Illinois State Fair

Dear Mrs. Gasperik:

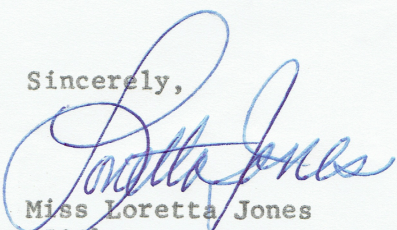

First of all, Congratulations on being  
the blue-ribbon-winner.

This was truly a masterful work of art -  
not only the applique and the crewel embroidery,  
but the quilting, itself, was of such pattern that  
this quilt was unique.

I am writing to inquire, if this quilt  
can be ordered made up or does one have to do all  
of the work. I can imagine that it would cost an  
exorbitant amount of money, but it is worth it, I  
am sure, when I stop to think of the time consumed  
to turn out the finished product.

I would appreciate hearing from you, if  
at all possible, concerning this matter, and thank  
you for your time.

Sincerely,

  
Miss Loretta Jones
