Mrs Gasperich,

I am writing to ask you if you would tell me where you got the quilt you have entered at the fair or the name of it.

One of my daughters (I have 5) seen this and wants me to make one for her, I have never seen this pattern, but it is beautiful I love to make quilts and am trying to get one for each of the girls + grand children made as I think they are grand keepers have 13 grand children so don't know if I'll make it or not.

You do beautiful work, if you have any unusual patterns

would love to have them.

Thank you so much.
