

Dear Mrs Gasperik,

Just a line to let you know how well I liked your quilts at the Illinois State Fair. You are really a prize winner and do very beautiful work. I was just wondering if you work out your own designs or if you could ever buy such beautiful patterns.

I'm not much of a quilter myself, but I always enjoy the hand-crofts at the fair. I'm enclosing a postal, if you would tell me if your designs are your own original.

Respectfully,

Mrs. C. De Coster
