

Dear

Let me welcome you as a new meber to our Quilt Club Corner. I, too am a new member, having recently joined. I have read of you through the Detroit News. I thought I would drop you a line to ask of you a favor. I am making a State Quilt. I wonder if you would be willing to exchange blocks with me. I would be willing to maki you a block (in any pattern you choose) if you would make me one. Enclosed you will find a pattern of my block, will you please out line your Name, City, and State. If you do this for me, I will make up your block as soon as I receive your Pattern.

If you know of any body in another State who is willing to exchnage blocks with me, would you please let me know. I would be very grateful and appreciate it very much. Hoping to hear from you I remain you Quilting friend.
