Dear Mrs. Gasperik:

I was so glad to hear from you and know for certain that you are planning to attend the show.

Of course the doll's quilt may be entered under the children's section. I think there are going to be quite alot of doll's quilts at the show.

Everybody is going to be delighted to see your Hungarian Girl quilt, because that little block you sent me was borrowed by a great many.

I am looking forward to seeing you at the show.

Sincerely yours,

Edith B. Crumb
