

Mrs. Stephen Gasperik, our local quilting expert, continued her winning ways at the Illinois State Fair this year by winning 2 first & a second prize on her three entries.

A first was awarded her "Double Feather Star" design which she copied from a book. It was originally designed in 1835 by a bridegroom for his bride.

Another first went to her beautifully original "Indian Boys" which she made for her grandson.

A second prize was awarded to her "Dutch Girl" which she made for her granddaughter.
