

MOUNTAIN MIST®QUILTING AND CRAFT PRODUCTS

For decades, **Mountain Mist** from the Stearns & Foster Company has been well-known for its top quality quilting and craft products including patterns, cotton and polyester batting, Fiberloft stuffing and Pillow-loft pillow forms.

Certain **Mountain Mist** products are also available to you by mail, direct from the Quilting Center at Stearns & Foster. Look over the selection offered here and place your order today!

Delightful Stuffed Toy Patterns— Only \$2 for all four!

These easy-to-sew patterns of Mother Goose, Simple Simon and the Cock Horse are perfect starter projects for the beginner. The Teddy Bear is 20" of squeezable irresistibility and takes about 2½ hours to complete. Use Fiberloft for the perfect stuffing. Code STP

Quilt Pattern Designs Booklet—\$1.50

New from **Mountain Mist** — a 72-page catalogue illustrating over 130 quilt pattern designs. It's the first time the entire collection of quilt designs has ever appeared in one source! Also includes basic instructions on making and caring for quilts and comforters. A book everyone can use and enjoy. **Code PDB**

1 Pomegranate 62 Bed

75 Dresden Plate

100 Star of the Bluegrass

Historic Quitting Patterns—\$1.49 each

Comes with reusable template. Start with small, striking wall hangings, aprons, pillows, and place mats — or apply your historic pattern to a bed-size quilt. Just pick one of the reusable plastic templates and let your imagination do the rest. Order by number above. Also available: 25 Grandmother's Flower Garden, P 119 Daddy Hex, A

Quilting Patterns—75c each

Outline patterns printed on strong paper. Directions give all the necessary information including color suggestions, amount of material required for each color or print, actual size diagrams of each part, placing guides, a diagram of the finished quilt and complete instructions for every step.
