LET'S HEAR IT AGAIN FOR KANSAS!

Two Kansas catalogs available

KANSAS QUILT SYMPOSIUM Catalog

This lovely catalog is a delight! Lots and lots of full color pictures of quilts and if you went to the 1978 Symposium you will want it to help remember the event. If you weren't able to go, this will help you capture the spirit and feeling of the Symposium. In order to get as many pictures of quilts as possible, the publisher has put two on a page. That doesn't make it as attractive, but does allow one to see many more quilts than in the average book.

The book was edited by Betty J. Hagerman and Helen M. Ericson; most of the photography is by Clay H. Kappelman. To order, send \$7.50 plus \$1.00 mailing for each book to Kaw Valley Quilters Guild, Route 3, Baldwin City Kansas 66006.
