

BIBLE QUILT UPDATE

Our thanks to Carol Crabbe and Wilma Smith who sent the following article from LADIES' HOME JOURNAL, Nov 1956.

Berkeley, Calif

Dear Journal Editors: Years ago, before I was married, I sent for a Bible-quilt pattern in your beloved magazine, and then laid it away with a vague dream of "some-day".

In 1950 our daughter arrived, and the inspiration for the Bible quilt was renewed. I carboned off the picture blocks and sent them to aunts, great-aunts, grandmothers and family members willing to tackle the job (out of love, of course!) Then I turned the completed twelve blocks over to the church quilting group here.

What a lucky little girl we have to own such an heirloom. A million thanks for the idea and pattern which came from you! Sincerely, Margaret Taylor

in 1956 the Bible Quilt pattern could have been ordered for 25 cents from the Reference Library, LADIES' HOME JOURNAL, Independence Square, Philadelphia 5 Penn.
