Everybody is Quilting Now!

You can now procure an interesting variety of fast color Quilt Patches in Cellophane Packages for the present vogue of making Patchwork Quilts. Enough material in one of these packages to applique or patch an average size quilt top. Two patch work designs and Quilting Chart included in each package.

The New Method of Buying Quilt Patches eliminates the extravagant old way of buying extra yardage of so many patterns.

A Beautiful Assortment In Each Package.

Our Quilt Patches are packed in two different size packages. The small package contains enough material to make a small quilt. While the larger package is an excellent value if you are making several quilts.

It contains four times as many patches and also includes our latest pattern book with instructions and quilting chart.

"Easy Method" Patchwork Quilts

Copyrighted 1932

Patent Applied for

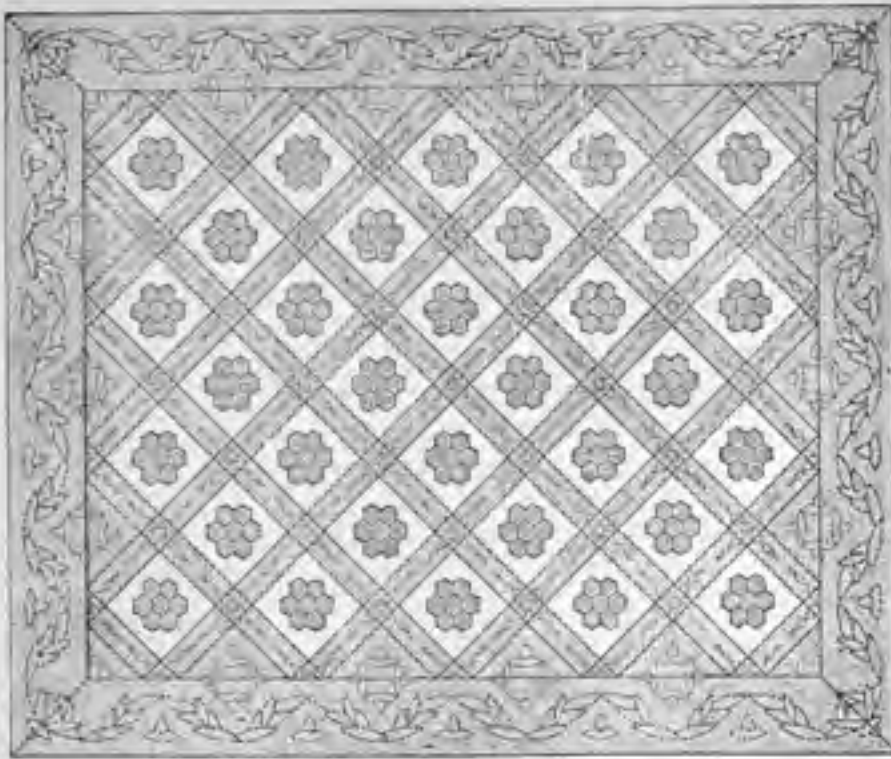

This Method Requires Hours Instead of Days

A package contains—32 Stamped White Blocks of Genuine Quiltex and 32 Stamped Blocks of Guaranteed Fast Color Prints. Each Pattern different.

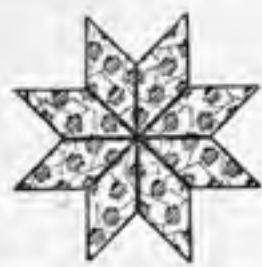

Quilting Chart with instruction included with each number. Price \$1.00 for each number.

Patchwork usually requires tedious work, long hours of careful execution. But "Easy Method" is the shortest way of making a quilt.

With Grandmother Clark's "Easy Method" the work is done in hours instead of days as in the old method. Blocks are stamped with sewing outline. Patches are stamped with pattern and require only cutting out and you have only 32 patches to sew instead of hundreds and sometimes thousands.
