

The "Patchy Zoo" Quilt, 45c

Crib Size and Small Bed Size

This "Patchy Zoo" quilt for very young nature lovers, has engaging animals and birds patched from bright colored prints and plain materials. Left over scraps will be large enough. The alternating checked blocks use plain material for the letters. This quilt with a 4-inch border and 12 inch blocks measures about 42 x 64 inches. With the extra motifs given in the pattern, quilt can be made about 53 x 75½ inches. The animals measure from 7½ to 10¼ inches high.
